**CASE NO. 9:06-CR-30(13)**

**FINDINGS OF FACT AND RECOMMENDATION ON GUILTY PLEA  
BEFORE THE UNITED STATES MAGISTRATE JUDGE**

The District Court referred this matter to the undersigned United States Magistrate Judge for administration of a guilty plea and allocution under Rules 11 and 32 of the Federal Rules of Criminal Procedure. Magistrates have the statutory authority to conduct a felony guilty plea proceeding as an “additional duty” pursuant to 28 U.S.C. § 636(b)(3). *United States v. Bolivar-Munoz*, 313 F.3d 253, 255 (5<sup>th</sup> Cir. 2002), *cert. denied*, 123 S. Ct. 1642 (2003).

On June 28, 2007, this cause came before the undersigned United States Magistrate Judge for entry of a guilty plea by the Defendant, Antonio Santoya Alvarez, a/k/a “Tono”, on **Count I** of the charging Second Superseding Indictment filed in this cause. Count I of the Second Superseding Indictment charges that from on or about some time in 2002 and continuing

thereafter up to and including the 8<sup>th</sup> day of June, 2006, in the Eastern District of Texas and elsewhere, Antonio Santoya Alvares aka “Tono”, and numerous other named defendants, and others both known and unknown to the Grand Jury, did knowingly and intentionally conspire with other persons to knowingly and intentionally distribute and possess with intent to distribute 5 kilograms or more of a mixture or substance containing a detectable amount of cocaine, 50 grams or more of a mixture or substance containing a detectable amount of cocaine base aka “crack cocaine,” a Schedule II controlled substance, and 100 kilograms or more of a mixture or substance containing a detectable amount of marijuana, a Schedule I controlled substance, all in violation of Title 21, United States Code, Section 846.

Defendant, Antonio Santoya Alvarez, entered a plea of guilty to Count I of the Second Superseding Indictment into the record at the hearing.

After conducting the proceeding in the form and manner prescribed by Federal Rule of Criminal Procedure 11 the Court finds:

a. That Defendant, after consultation with counsel of record, has knowingly, freely and voluntarily consented to the administration of the guilty plea in this cause by a United States Magistrate Judge in the Eastern District of Texas subject to a final approval and imposition of sentence by the District Court.

b. That Defendant and the Government have entered into a plea agreement which was disclosed and addressed in open court, entered into the record, and placed under seal.

c. That Defendant is fully competent and capable of entering an informed plea, that Defendant is aware of the nature of the charges and the consequences of the plea, and that the

plea of guilty is a knowing, voluntary and freely made plea. Upon addressing the Defendant personally in open court, the Court determines that Defendant's plea is voluntary and did not result from force, threats or promises. *See* FED. R. CRIM. P. 11(b)(2).

d. That Defendant's knowing, voluntary and freely made plea is supported by an independent factual basis establishing each of the essential elements of the offense and Defendant realizes that his conduct falls within the definition of the crimes charged under 21 U.S.C. § 846.

### **STATEMENT OF REASONS**

As factual support for Defendant's guilty plea, the government presented the following evidence, which was admitted into the record at the plea hearing. *See Factual Resume*. If the case proceeded to trial, the Government and Defendant agreed that the Government would prove, beyond a reasonable doubt, each and every essential element of the charging offenses charged in Count I of the Second Superseding Indictment.

Specifically, in support, the Government would establish, through sworn testimony and evidence, including expert witnesses and admissible exhibits, the following facts, as stated in the *Factual Resume*:

Defendant was involved in a conspiracy to distribute controlled substances that involved **JOSE REYES GARCIA, JR., aka JOSE REYES GARCIA; JUAN RAUL HIGUERA** (hereinafter referred to as **HIGUERA**), aka **RAUL HIGUERA**, aka **JUAN GARCIA**, aka **"Smiley"** aka **JUAN GONZALEZ**, aka **JUANRIVERA**, and aka **JUAN RAUL HIGUERA; GILBERTO VEGA** (hereinafter referred to as **VEGA**) aka **"Tiny"**; **JAIR ROMERO-**

**FRAUSTO** (hereinafter referred to as **ROMERO-FRAUSTO**); **OSCAR APARICIO SOLARES**, (hereinafter referred to as **SOLARES**) aka "**Flaco**"; **RICHARD SOLIS**, (hereinafter referred to as **SOLIS**) aka "**Roach**"; **CHRISTIAN MOYEDA** (hereinafter referred to as **MOYEDA**); **YESIKA CARRILLO** (hereinafter referred to as **CARRILLO**), **MIGUEL CANEDO** (hereinafter referred to as **CANEDO**), **ANTONIO SANTOYA ALVAREZ** (hereinafter referred to as **ALVAREZ**) aka "**Toño**", **JAVIER LOPEZ** (hereinafter referred to as **LOPEZ**), **RUBEN ESPEJO-LOPEZ** (hereinafter referred to as **ESPEJO**), **PABLO PASQUAL** aka **FRANCISCO MALDONADO** (hereinafter referred to as **PASQUAL**), **VICTOR SCOTT INGRAM** (hereinafter referred to as **INGRAM**), and **JUAN ANTONIO RAMOS** (hereinafter referred to as **RAMOS**), from sometime in November 2002 up and including June 8, 2006.

The evidence will establish that various members of the conspiracy would travel to locations along the Texas/Mexico border to purchase cocaine and/or marijuana and have the cocaine and/or marijuana transported to Angelina and Nacogdoches Counties. These counties are located in the Eastern District of Texas. The conspiracy would distribute cocaine, cocaine base, marijuana, and methamphetamine in both Angelina and Nacogdoches Counties.
